BSOFL Diwali Dinner 2009

Diwali is celebrating the victory of good over evil. It is known as “festival of lights” because we lit a diyo as a sign of celebration and hope for mankind. Hope that those who suffer, will have joy in their life.

That is why.....

You Can Help!!

...We need your help!!

There are many people out there who have cancer and are in need!!

- Donate money to charity or hospitals...
- Do community service by helping the sick or homeless

Make a difference by helping!!
